

# Linköping University

- “ Linköping Municipality 140 000 people
- “ Students 27,000
- “ Employees 4,000
- “ Income total, SEK 3,400 million

Linköping University

# Linköping

## Birthplace of Swedish Aviation 1911

*Carl Cederström 1912*

# Milestones

- 1967 A branch of Stockholm University
- 1969 Faculties of Engineering and Medicine
- 1975 Linköping University**
- 1980 Thematic research
- 1986 Faculty of Health Sciences
- 1997 Campus Norrköping
- 2000 Malmsten

## Four faculties

- “ Arts and Sciences
- “ Educational Sciences
- “ Health Sciences
- “ Institute of Technology

## Areas of Interest for this Collaboration

- “ Division of Fluid and Mechatronic Systems
  - “ **Petter Krus**. Aircraft and system design
- “ Division of Machine Design
  - “ **Johan Ölvander**, Design optimization
  - “ **Kerstin Johansen**, Composites and Manufacturing
- “ Division of Engineering Materials
  - “ (Johan Moverare)

## Areas of Interest for this Collaboration (cont.)

- “ Division of Automatic Control
  - “ **Andre Bittencourt**, Prof. Fredrik Gustafsson
- “ Artificial Intelligence and Integrated Computer Systems (AIICS)
  - “ Patrick Doherty
- “ Real-time Systems Laboratory (RTSLAB)
  - “ Simin Nadjm-Tehrani

**Linköpings universitet**
